

Sea-Spraé

64 inches wide, 6.25 oz. per sq. yd.

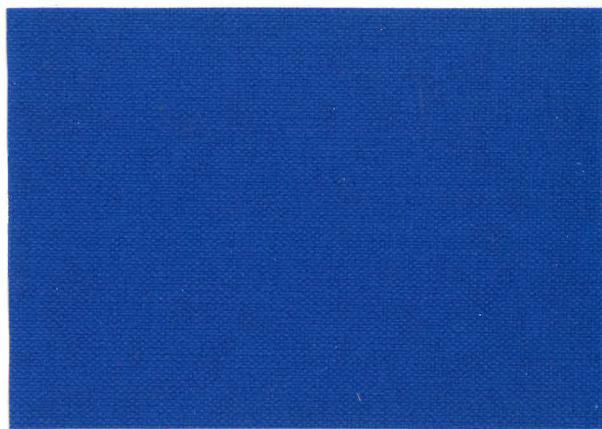

Economical and super lightweight, Sea-Spraé is the perfect choice for lightweight bimini tops and other marine craft covers. The fabric repels, water, dirt and UV rays, and is stabilized for minimum stretch and shrinkage. This durable fabric is flexible and easy to fabricate, and has excellent tear and tensile strength. Sea-Spraé features proprietary back coating to prevent color transfer, however, a clear vinyl should be sewn at contact points when total protection against rub-off is desired. Backed by a manufacturer's 3-year limited warranty.
