Powerful weather resistance, durability, and easy fabrication make Sunbrella 80" Awning & Marine Fabric the leading premium fabric choice for boating and shade structures. It's fade- and UV-resistant for long-lasting beauty, with a soft hand and generous 80" width that makes it easy to work with. Because of its superior sun protection and breathable, cooling shade, it's an ideal choice for awnings, curtains, bimini tops, boat covers, and more. Trivantage® carries a broad range of awning and marine fabrics in colors that perfectly complement these Sunbrella fabrics.

10 Year Limited Warranty

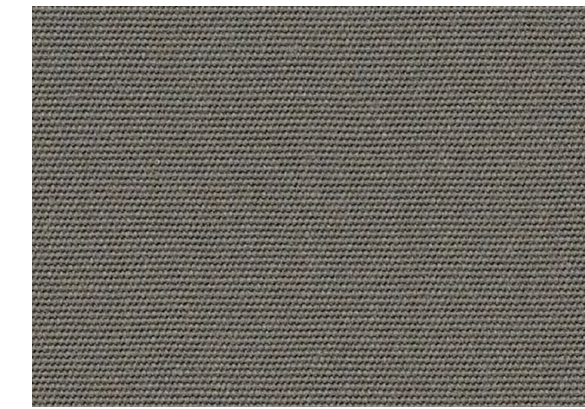

Colors are representative only. Small variations in shade should be anticipated and are within commercial tolerances.
